SOLE CONSTRUCTIONS

1,000

PAIRS / MODEL MINIMUM

DIRECT-STITCHED CONSTRUCTION

Single-layer EVA sole

The upper is stitched directly to a single-layer EVA sole, without a separate insole layer.

EC-44

Closed-toe hotel slippers

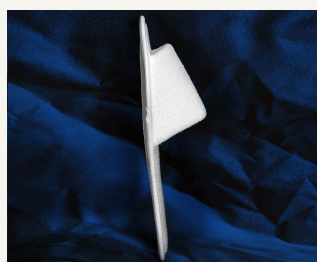

SIDE PROFILE

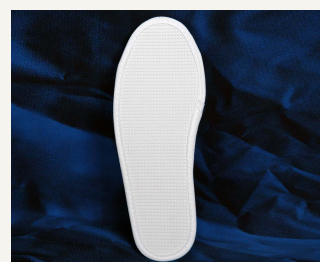

SOLE VIEW

EC-55

Open-toe hotel slippers

SIDE PROFILE

SOLE VIEW

One sole layer. EC-44 and EC-55 share the same construction, with a choice of closed or open toe.

Standard EVA outer sole: 4 mm. Other thicknesses and sizes available on request.
See page 4 for shared specifications and ordering details.

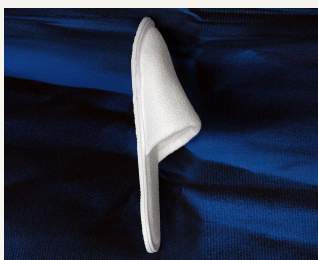

TWO-STAGE STITCHED CONSTRUCTION

Separate insole + outer sole

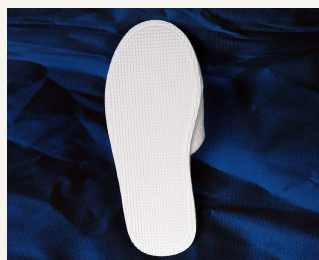

The upper is first stitched to a separate insole layer. An outer sole is then added and secured with a second stitching stage.

EC-11

Closed-toe hotel slippers

EC-12

Open-toe hotel slippers

SIDE PROFILE

SOLE VIEW

Insole options: cardboard or 3 mm EVA.

EC-11 and EC-12 share this layered construction, with a choice of closed or open toe.

Standard EVA outer sole: 4 mm. Other thicknesses and sizes available on request.

See page 4 for shared specifications and ordering details.

Specifications & Ordering

Choose your model and specifications. ESCO will prepare an individual quotation for your order.

Fabric options	Knitted cotton terry, velour, wellsoft fleece and waffle piqué. Availability is confirmed for the selected model.
EVA outer sole	4 mm as standard. Options: 3 mm, 5 mm or 6 mm, confirmed in the quotation.
Separate insole	EC-11 / EC-12 only: cardboard or 3 mm EVA.
Sizes	Common slipper lengths: 28 cm and 31 cm. Other sizes available on request.
Packaging	Each pair in a self-adhesive PP bag as standard. Paper band packaging is also available.
Minimum order	1,000 pairs per model: 500 men's and 500 women's pairs.
Production lead time	Typically 2-3 weeks. Final timing is agreed according to order quantity and the production schedule.
Logo customisation	Embroidery and printing are available. Application method and additional cost are confirmed in the quotation.

Photographs show sample configurations. Final materials, sizes, sole thickness, packaging and delivery terms are confirmed in your quotation.
